Opposing the recommendation of the District Commissioners, the South Washington Citisens' Association last night adopted a resolution disapproving the construction of a railroad siding in Citisens' association last night and the construction of a railroad siding in Citisens' association last night sontemplated for construction by the Philadelphia, Eslitmore and Washington Railroad Company, it was said. It was pointed out by a member of the association that the recommendation of the Commissioners came about because of a lack of knowledge of facts pertaining to the case. The association had appealed to the District courts for an injunction, which injunction was sustained by the District Court of Appeals after passage through the various courts, it was said last night.

The resolution adopted last night takes the matter before committees in the Sente and House and the Board of Education.

An interesting lecture on prohibition for the District was given by Dr. M. F. Thompson, a member of the association. R. Harrison Johnson size spoke at the meeting on the matter of a referendum.
